

Citizens' Forecast of Direct Mandate Winners in the Constituencies for the 2021 Federal Election

The more intense the coloring, the greater the predicted lead.

Graphic: Cédric Scherer & Ansgar Wolsing

Data: Kayser, Leininger, Murr & Stötzer (2021) Citizens' Forecast for the 2021 German National Election (aleininger.eu/citizens_forecast2021)

The map is based on a survey of a non-representative sample of citizens in all 299 Bundestag constituencies on the candidates' chances of success.

The prediction of mandate winners is based on a t-test based on mean and standard deviation.
